Life in HONG KONG

Our campuses

The HKU Business School provides a dynamic and conducive environment for learning, teaching and research. Advanced facilities are provided on the three campuses located in the Cyberport, HKU Main Campus and Town Centre at Admiralty.

Cyberport Campus

Located at the flagship of Hong Kong's digital industry - Cyberport. The School's facilities at Cyberport include state-of-the-art classrooms, group meeting rooms and social areas for postgraduate students and learning partners from corporates that collaborate with the School. This is a place where university and business communities can come together and inspire innovations.

HKU Main Campus

The Headquarters of the HKU Business School is located at K.K. Leung Building in the HKU Main Campus. In addition to facilities such as lecture theatres, classrooms, computer laboratories and other areas for academic activities, the campus is also home to many research centres and institutes under the School. The Main Campus also features other learning facilities, resources and services needed in university life.

Town Centre

Located at the heart of the city, Admiralty Town Centre brings the resources of the School to one of the financial districts in Hong Kong. Apart from featuring cutting-edge facilities such as executive classrooms, meeting rooms and comfortable lounges. This downtown campus is a convenient location for hosting events and seminars, and connecting students, alumni and partners from all over the world.

Global presence

HKU Beijing Centre

Located in Asia Financial Centre where Asian Infrastructure Investment Bank is headquartered, HKU Beijing Centre mainly serves as a teaching venue for HKU Business School and provides ample space and state-of-the-art facilities for faculties to develop academic programmes, promote alumni entrepreneurial start-ups, and organise alumni events.

HKU-Tel Aviv Innovation Hub

The HKU-Tel Aviv Innovation Hub combines the academic excellence of HKU and the innovative, entrepreneurial energy of Israel. The Hub will foster deep engagements between the academic, business and technology communities of Israel, Hong Kong, and the Greater Bay Area, promoting cross-border collaborations and partnerships.

Shenzhen Campus

Located at the heart of Futian District in Shenzhen, the Shenzhen Campus is the School's latest development to promote knowledge exchange, technology transfer and talent collaboration in the Greater Bay Area and Mainland China.

The Representative Office of The University of Hong Kong in Vietnam

HKU in Vietnam signifies the importance of Vietnam as a growing economy, her youth, talent, and key location. We strengthen connections with Vietnam by providing market-oriented research, superior learning experience, and instrumental resources.

HKU iCube

HKU iCube is in the prestigious Two Exchange Square featuring a magnificent harbour view. It serves as a place to facilitate knowledge exchange for HKUBS associates, as well as a bridge to connect business leaders in and outside the school.

Master of Accounting Analytics

Master of Accounting Analytics Overview

Exploring the Evolving Role of Accountants - Embracing Technology and Shaping the Future

The Master of Accounting Analytics programme offered by the HKU Business School aims to develop accounting professionals equipped with data analytics skills and is specifically designed to foster talents capable of transforming raw and intricate accounting data into actionable intelligence for addressing general accounting-related questions.

The primary focus of the programme is therefore to equip students with specialised tools used in the accounting

industry to cope with the increasing market demand. The programme trains accounting professionals with both technical and accounting expertise. This is achieved through a focus on the utilisation of data, information technology, statistical analysis, quantitative methods, and mathematical or computer-based models within the programme, as well as a series of foundational accounting courses to meet the requirement of professional bodies.

Programme Structure

01

A comprehensive curriculum fostering talents capability of transforming raw and intricate accounting data into actionable intelligence

02

Specialized tools used in the accounting industry to cope with the increasing market demand

03

Utilization of data, information technology, statistical analysis, quantitative methods, and mathematical or computer-based models

04

A series of foundational accounting courses to meet the requirement of professional bodies

05

A capstone course to link classroom knowledge to real-world projects and gives students hands-on experience

Career Prospects

The programme is designed to shape future leaders in accounting with a robust skill set in data analytics. Graduates will be professionals who thrive in diverse fields such as quantitative methods, artificial intelligence, information technologies, and cutting-edge mathematical or computer-based models. They will be well-prepared to excel in various roles, from strategic management to innovative technology-driven positions across multiple industries.

- + Banking
- + Consultation
- + Cost Control and Operation Optimization
- + Data-driven Decision Making
- + Financial Management
- + Forecasting and Budgeting
- + Fraud Detection and Prevention
- + Internal Auditing
- + Investment Analysis
- + Performance Evaluation
- + Public Accountancy
- + Regulatory Compliance
- + Risk Management
- + Taxation

What are the foundational knowledge requirements for the Master of Accounting Analytics programme?

The programme aims to train professionals with technical and/or accounting expertise. The training ensures the mastering of accounting knowledge through both preparatory and elective courses. Therefore, incoming students with diverse background through their undergraduate education will be attracted, and experiences in fields of accounting and/or technology can be highly valuable.

Top 4 Q&A

PROGRAMME DIRECTOR

Top 4 questions about the Master of Accounting Analytics Programme, answered by our Programme Director

Prof. Kai Wai Hui.

What are the key skills and knowledge that students will gain from the Master of Accounting Analytics programme?

The programme is specifically designed to foster talents capable of transforming raw and intricate accounting data into actionable intelligence for addressing general accounting-related questions. The primary focus of the programme is therefore to equip students with specialised tools used in the accounting industry to cope with the increasing market demand. The programme serves as the key to success in tackling the challenges of the digital economy, and provides a powerful tool for data driven auditing and financial consulting.

Why is there a rising demand for accounting professionals with data analytics expertise in the corporate sector?

The massive amounts of data nowadays have created a high demand for skilled data analytics professionals who can analyse such data and obtain the insight needed for informed decision-making. Corporate leaders are increasingly adopting accounting analytics tools to drive business decisions, which support budgeting, forecasting, planning, and now increasingly revenue generation. The programme acknowledges the fast-paced industry development, which has created a rising demand for accounting professionals with data analytics expertise.

What are the career prospects of graduates?

Graduates can anticipate a wide array of analytics-related career opportunities across various levels, from junior to senior positions, in both private and public sectors. These opportunities encompass diverse fields such as data-driven decision making, cost control, fraud detection and prevention, performance evaluation, forecasting and budgeting, compliance, and risk management. Furthermore, graduates will be well-positioned to explore careers in industries that increasingly rely on data analytics, using their expertise to contribute to organisational growth, drive innovation, and navigate the complexities of an ever-evolving business landscape.

Scholarship

Entrance Scholarship

We offer scholarships to qualified students, who may receive a scholarship ranging from 5% to 50% in most cases, on the basis of student's academic merit at the time of admission. A full tuition fee waiver may be offered to outstanding cases. All eligible candidates are automatically considered; no separate application is required.

Merit-Based Scholarship

We offer merit-based scholarships to qualified students, who shall receive a scholarship of 10%, on the basis of student's performance, including but not limited to, academic performance of the first three modules, participation in the extra-curricular activities, recommendation from course instructors, and level of support provided to the programme office. All eligible candidates are automatically considered; no separate application is required.

Tuition Fee

\$426,000*

A deposit of HK\$142,000* is required to confirm the admission offer. The balance shall be payable in two instalments in one year, irrespective of the number of courses taken in each module.

* Subject to change and final approval of the University.

HKU Business School Dean's Master Fellowship

The Fellowship shall be awarded to new full-time students admitted to any one of the taught postgraduate programmes offered by the Faculty of Business and Economics based on the following criteria: a. Academic performance; b. Relevance of work experience, if applicable; and, c. Interview performance, if applicable.

Generous Scholarship

The value of the Fellowship ranges from HK\$250,000 to the full prevailing composition fee

Top-tier Internship Opportunities

- Opportunities to undertake pre-programme internships
- Gain hands-on experience with leading companies to grow your career

Personalised Mentorship

- Tailored mentorship will be provided throughout your Master's programme
- Networking events will be organised among awardees, faculty and business leaders to build your connections

All eligible candidates*** are automatically considered; no separate application is required.

***Outstanding students will only be awarded either the Entrance Scholarship or the Dean's Master Fellowship. The scholarship and fellowship will not be issued to the same candidate.

Career Development & Training

Expanding Horizons: Explore a Range of Career Development Activities with Us

The Student Enrichment Team

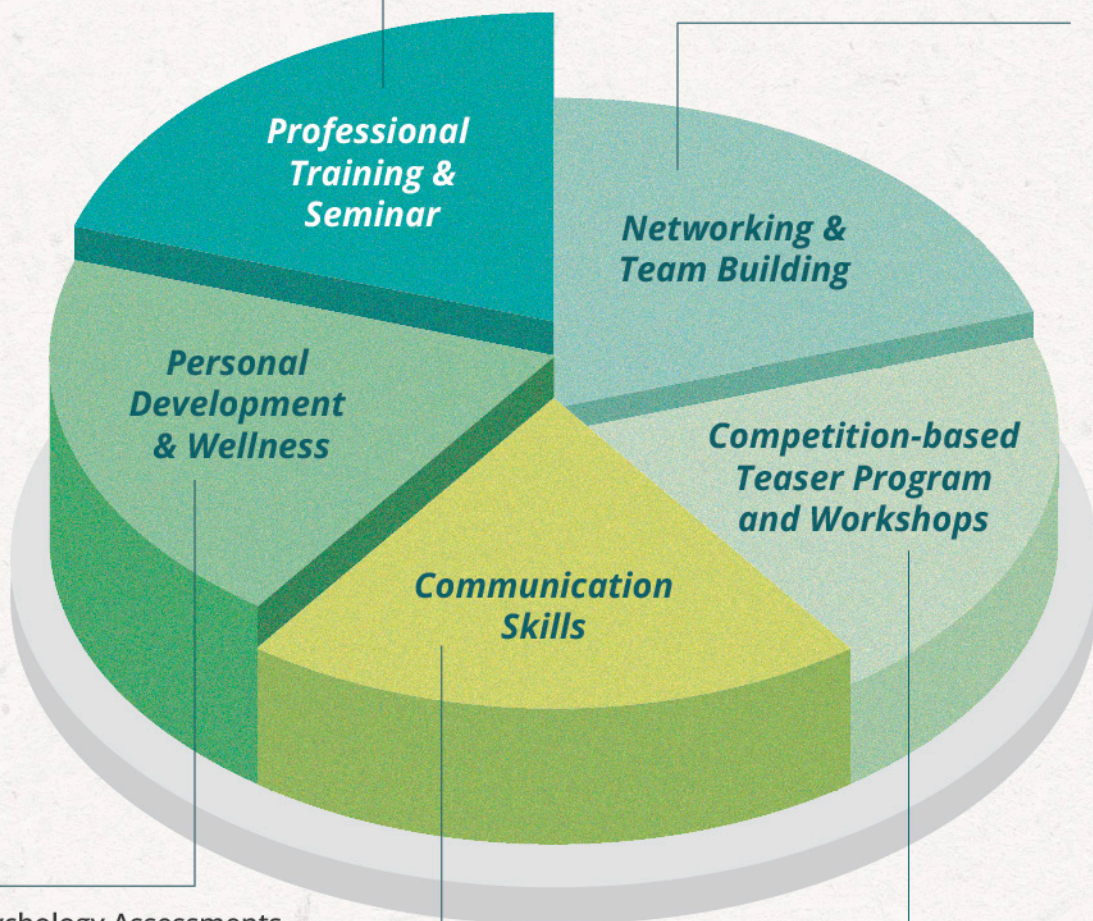

The Student Enrichment Team organises a wide range of events and activities for students and alumni of the specialized masters programmes. They are categorized into five areas including Personal Development and Wellness, Professional Training and Seminar, Networking and Team Building, Communication skills and Competition-based Teaser Program and Workshops. Students are able to have an enjoyable and fruitful journey as well as having the opportunity to explore different areas and meet different people.

Summary of Student Enrichment Activities

(Aug 2024 - June 2025)

- ▶ Industry Talk & Seminar
- ▶ Alumni Experience Sharing
- ▶ Business Executive Training

- ▶ Networking Drinks
- ▶ Cultural Diversity Activities
- ▶ Community Services
- ▶ Inter-house Teambuilding Activities

- ▶ Psychology Assessments
- ▶ Happiness Workshop
- ▶ Sports and Hiking
- ▶ Counselling and Wellness Programme

- ▶ Languages
- ▶ Public Speaking
- ▶ Effective Presentation
- ▶ Leadership skills
- ▶ Soft Skills Training

- ▶ Machine Learning
- ▶ Financial Database
- ▶ Programming & Computer Coding
- ▶ Generative AI Course

The Student Enrichment Team

Mentorship Programme

The Mentorship programme offers specialized master's students at HKU Business School (**Mentees**) a platform to go beyond the classroom, gaining real-world insights and career advice from alumni and industry professionals in leadership roles (**Executive Mentors**). Additionally, it fosters a vibrant master's community, strengthening connections with these experienced practitioners, as well as to contribute their knowledge and experience to nurture the young generation.

Mentorship Activities

Student Clubs

Student Clubs have been set up with the aim of equipping students to develop and enhance the industry knowledge and real-world insights through specialized industry tours and talks. Students will learn to apply highly effective steps that cover the key functional areas of every business: operations, marketing, finance, and human resources. Students will be able to develop and practice their skills in the workplace. The Student Clubs also aim to promote activities and careers in related areas among the Masters community. Club officers (The Elite Club) will be offered a series of leadership training to equip them with the necessary skillsets as future leaders.

Our Mentors

They are professionals, industry practitioners, middle to senior executives or MSc alumni with 15+ years working experience in Accounting, Marketing, Finance, FinTech Banking, Business Analytics and Management etc. They are passionate about supporting the young generation with their valuable experience, insight and networks, and will serve on a pro-bono basis.

Mentors Professional Background

Expert Area	Position
Accounting	CEO / COO / CIO
Business Analytics	Consultant
Equity Capital Markets	Department Head
Family Wealth Management	Director
Finance and Financial Technology	General Manager
Financial Services Compliance Securities	Global Strategy Leader
Integration Broker Technology	Managing Director
Investment and Trading Professional	Partner
Marketing	Principal Economist
Research	Regional Head
	Vice President

Student Ambassador Programme

The HKU Business School Masters Student Ambassadors consist of a dynamic group of enthusiastic, passionate, and knowledgeable student leaders representing the twelve specialized Masters Programmes. As Student Ambassadors (SA), they will play a crucial role in planning and organizing student-led activities, taking the lead in creating a vibrant and engaging student community, building connections with business leaders and senior executives across diversified industries as well as establish a global mindset to work with students from different cultural backgrounds.

VIRTUAL HOUSES FOR HKU BUSINESS SCHOOL MASTERS STUDENTS

Virtual House System

The first-ever Virtual House System, in a total of 8 Houses, aims to create a supportive and engaging environment for our Masters Programmes students, specifically designed to foster greater student participation and interaction. The HKU Business School Masters Programmes House Committees will be selected from a group of dynamic and dedicated students representing the 8 Houses. House Committees will be playing pivotal role in building and fostering the sense of belonging of House Community, as well as actively encouraging and motivating students through interactive Inter-House competitions, teambuilding activities, sports and wellness programmes.
